

About Gulf Shores

Gulf Shores Condominiums is relatively small with only 52 condos but is large in services, features, and facilities. The condominiums are privately owned, and many are available for rent during the year. Our on-site office manages these rentals and ensures that our visitors have very pleasant vacations with us. We hope you come and visit soon!

A brilliant Texas sunset adds its yellow cast to the front of the Gulf Shores building.

The photos below are aerial views of Gulf Shores. The picture on the left was taken from the Gulf side, while the one on the right was taken from the bay side.
